

Forum on Autonomous Vehicles

SAVE THE DATE: **Friday, June 8th, 2018**
8:30 AM to 4:30 PM
BP Energy Center in Anchorage, Alaska

The ITE Alaska Section, along with the support of ITS Alaska is hosting a Forum on Autonomous Vehicles. The event will be geared toward Public Agency leaders and Policy Makers from across Alaska. A series of speakers from the public and private sector in the Autonomous Vehicle industry will give presentations on the state of the technology and public policy. More information and invitations to attend the forum will be sent out in the next few months. Attendance will be by invite only, due to limited seating. If you have an interest in attending please contact Trevor Strait at tstrait@hdlalaska.com.

The goal of the event will be to educate attendees about the potential benefits and challenges that may come with Autonomous Vehicle Technology in Alaska.

The Institute of Transportation Engineers (ITE) is an international membership association of transportation professionals who work to improve mobility and safety for all transportation system users and help build smart and livable communities.
