2015 ANNUAL MEETING

Preliminary Technical Program (as of 8/3/2015)

Session #	Presentation / Topic
9:30 – 10:00 Session #1: ITS Alaska Business Meeting Moderators: TBD	1.1: ITS Alaska Annual Business Meeting (30 min.) <i>- (Everyone is welcome to attend)</i> 1.2 Opportunity for each sponsor to introduce themselves and their company
10-12 Session #2: Transportation Operations Centers & Cost Savings Opportunities	2.1: Concepts for Rural TOCs. The North/West Passage Pooled Fund Program (an eight state consortium along the I-94 corridor from Washington State to Wisconsin) recently completed a project exploring Concepts for Rural Transportation Operations Centers (TOCs). This presentation will summarize the project and findings. 2.2: Interagency TOCs. This presentation will emphasize experiences of co-locating multiple agencies (e.g. law enforcement, transit, DOT, etc.) in one TOC, and describe how interagency relationships can help reduce costs or gain efficiencies. 2.3: AK TOC Project Status. A brief update on the AKDOT&PF statewide TOC Scoping Project (Tentative – still to be confirmed) 2.4: Alaska Bluetooth readers. Presentation on AKDOT&PF use of Blue Tooth Readers 2.5: AK Sensors on Maintenance Vehicles. Update on the AKDOT&PF MDSS pilot project in Northern Region and how / when it will be launched in the other regions of the state.
12:00 – 1:30	Lunch <i>- Plans to be determined</i>
